

Reduced Rate Options

The following reduced rate options are with experienced Masters and Doctoral Interns. These interns are supported & supervised by registered psychologists.

Reduced Rate Assessments

Masters & Doctoral Interns work with registered psychologists to complete comprehensive psychoeducational assessments: learning, ADHD & mental health (\$1800)

Counselling & ADHD Coaching Packages

Available for in person or online sessions with an experienced Masters Student Intern (3-sessions for \$130) or Doctoral Intern (3-sessions for \$300)

Counselling/Coaching - Single Sessions

Available in person or online, the intern only sessions are led solely by one of our Masters (\$60/hr) or Doctoral (\$125/hr) counselling interns.
