The health professionals listed are identified as those who can diagnose and treat individuals with ADHD. The list is not comprehensive and are included by consent. We do not endorse or recommend any method, treatment or program provided by these professionals. Therefore, please research any and all treatments,

products, and programs before you purchase them. Please check with each office directly for confirmation of any information above.

For psychologists who may offer counselling/assessment check the Psychologists' Association of Alberta website and look for a professional who works with adults (www.psychologistsassociation.ab.ca). Click on the Online Referral Search (not comprehensive). Call and discuss directly with the psychologist the service you are seeking.
